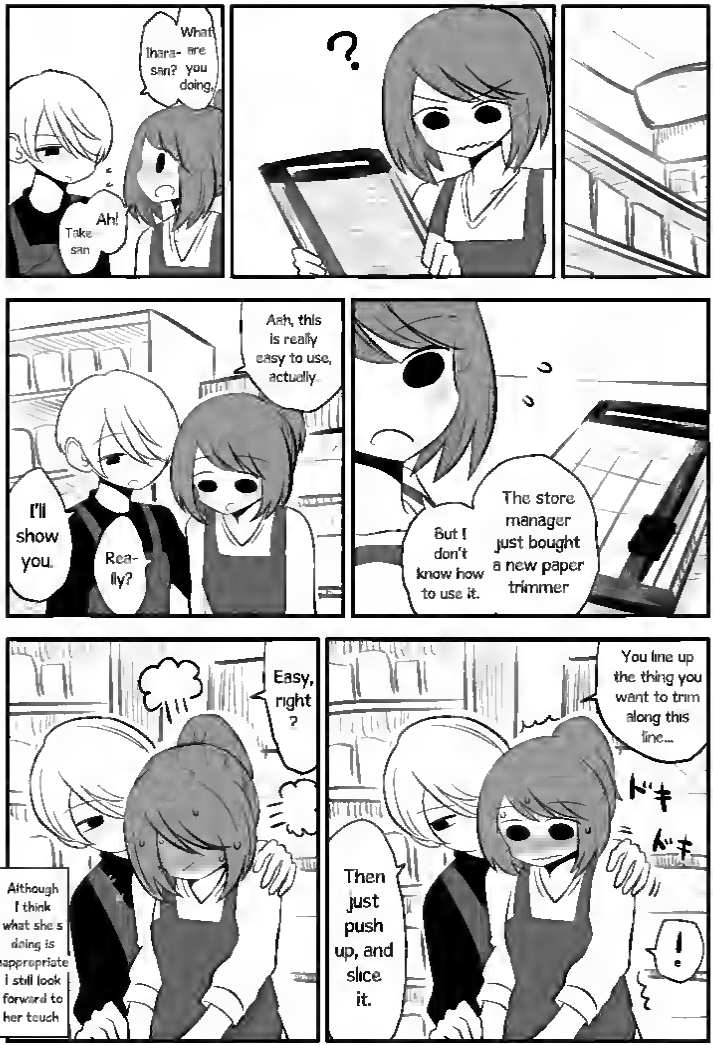
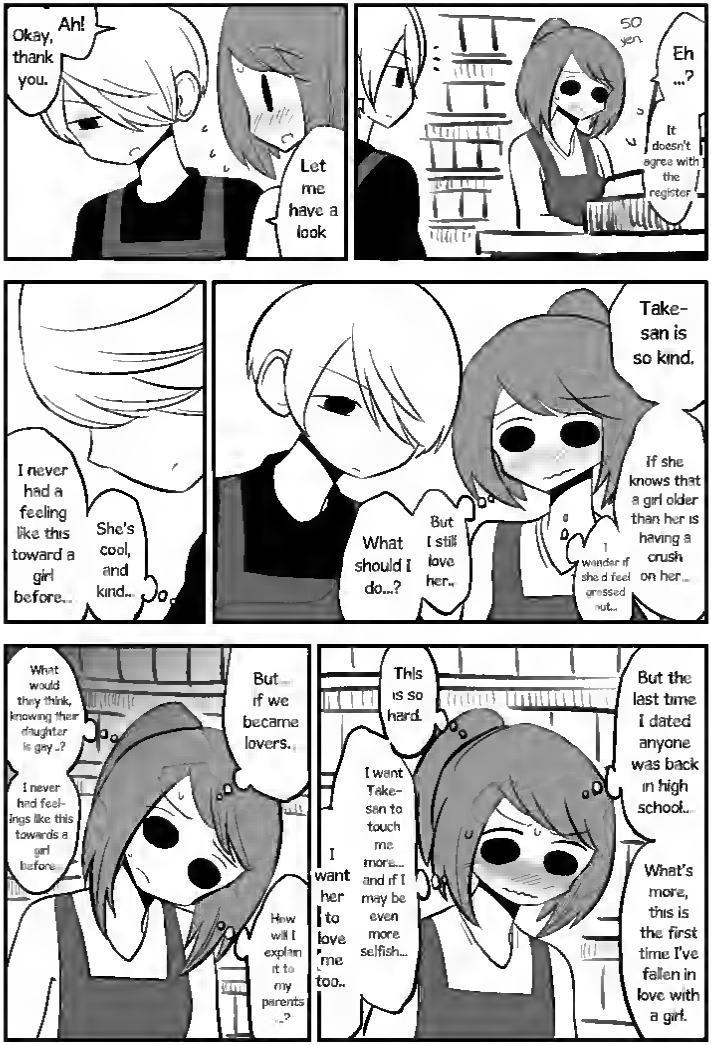
A 27 year-old part-timer.
And I'm Ihara Saeko
Take-san is a 19 year-old boyish part-timer girl.
We've been working together at the same place for half a year.
there's just one thing about her...
And although Take-san is a good girl who's serious about her job,

to have a lot of skinship, in any situation!
Eh!?
What are you doing?
Take-san really likes
I'm just making the sign...
Ah! I-
Your hair... it's pretty.
It's just normal!
Ah! Good morning
Morn-in'!
Your face is red! Do you have a fever?
Ihara-san, can I hold your hands?

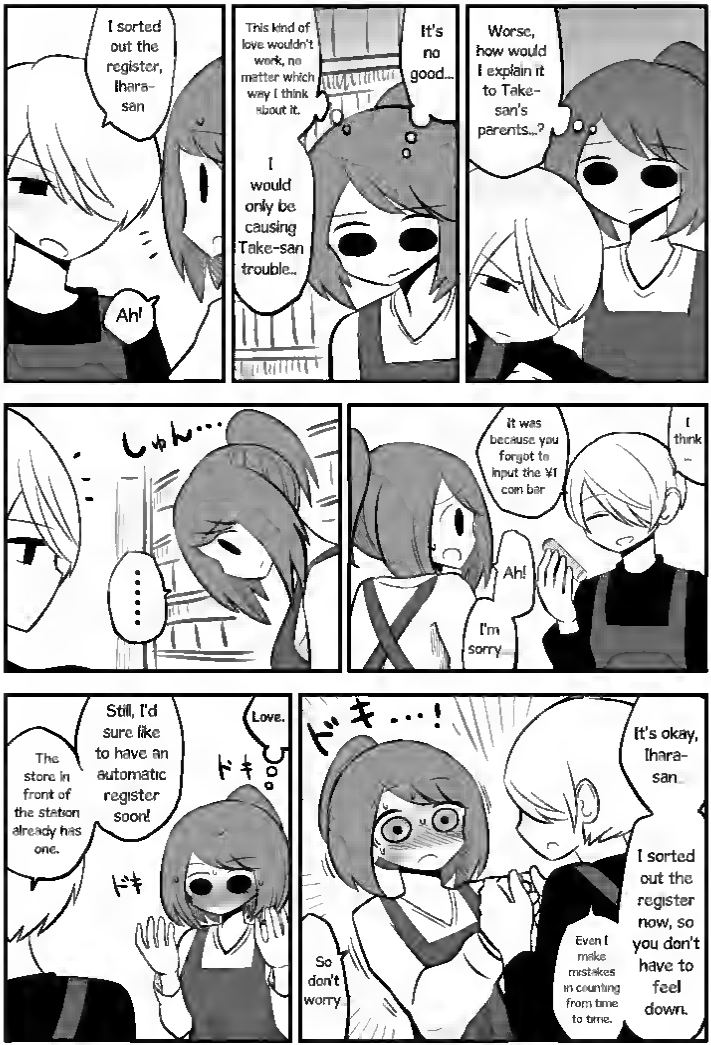
To be continued



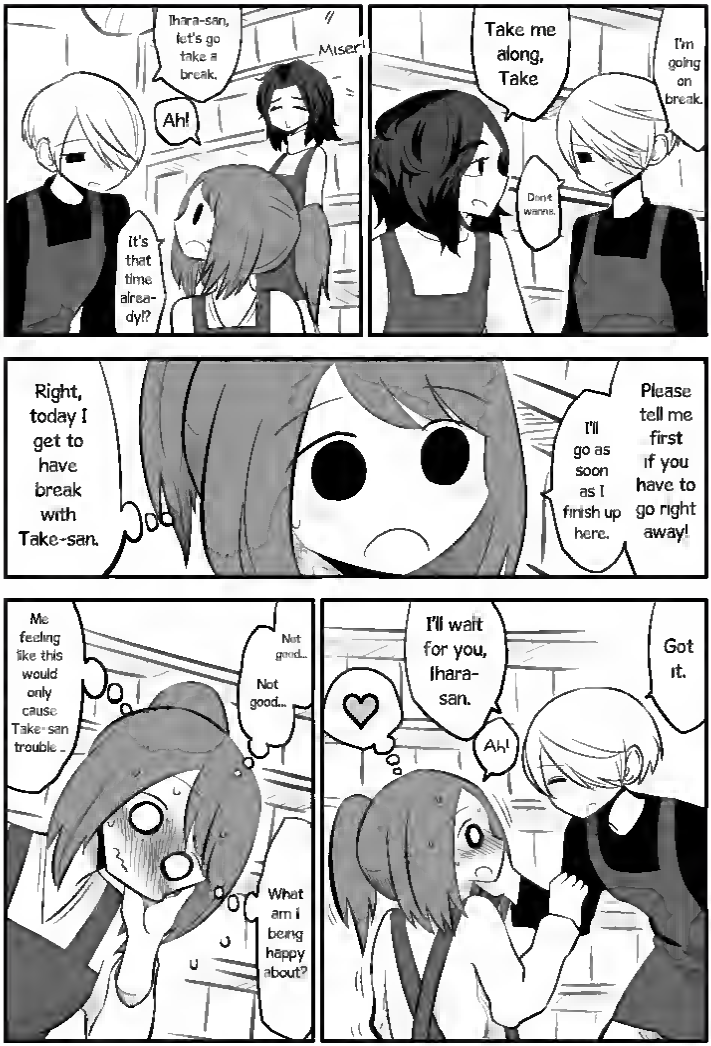
What are you doing, Ihara-san?
Ah! Take san
?
Aah, this is really easy to use, actually
I'll show you.
Rea-lly?
But I don't know how to use it.
The store manager just bought a new paper trimmer
Easy, right ?
Although I think what she's doing is inappropriate I still look forward to her touch
Then just push up, and slice it.
You line up the thing you want to trim along this line...
ドキ
ドキ
!



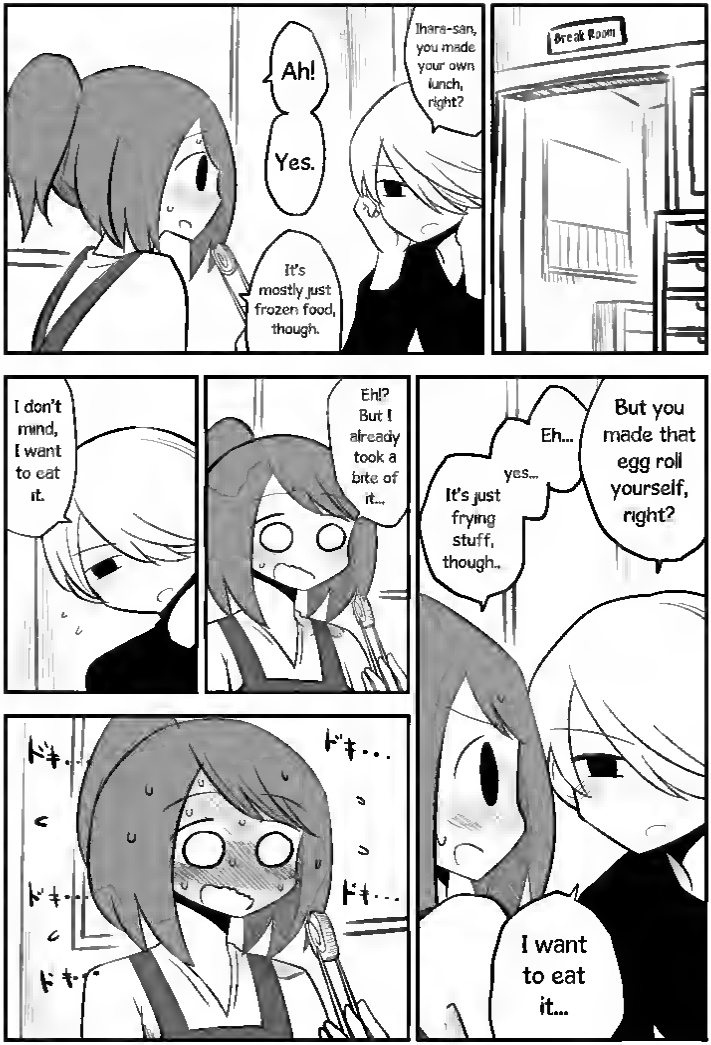
Ah!
Okay, thank you.
Let me have a look
50 yen
Eh ...?
It doesn't agree with the register
I never had a feeling like this toward a girl before...
She's cool, and kind...
What should I do...?
But I still love her..
Take-san is so kind.
If she knows that a girl older than her is having a crush on her...
I wonder if she'd feel grossed out...
What would they think, knowing their daughter is gay..?
I never had feelings like this towards a girl before...
But if we became lovers...
How will I explain it to my parents ..?
I want her to love me too..
This is so hard.
I want Take-san to touch me more... and if I may be even more selfish...
But the last time I dated anyone was back in high school...
What's more, this is the first time I've fallen in love with a girl.



I sorted out the register, Ihara-san
Ah!
This kind of love wouldn't work, no matter which way I think about it.
I would only be causing Take-san trouble..
It's no good...
Worse, how would I explain it to Take-san's parents...?
しゅん...
.....
it was because you forgot to input the ¥1 coin bar
Ah!
I'm sorry
I think ...
Still, I'd sure like to have an automatic register soon!
The store in front of the station already has one.
Love.
ドキ
ドキ
ドキ...!
It's okay, Ihara-san.
I sorted out the register now, so you don't have to feel down.
Even I make mistakes in counting from time to time.
So don't worry

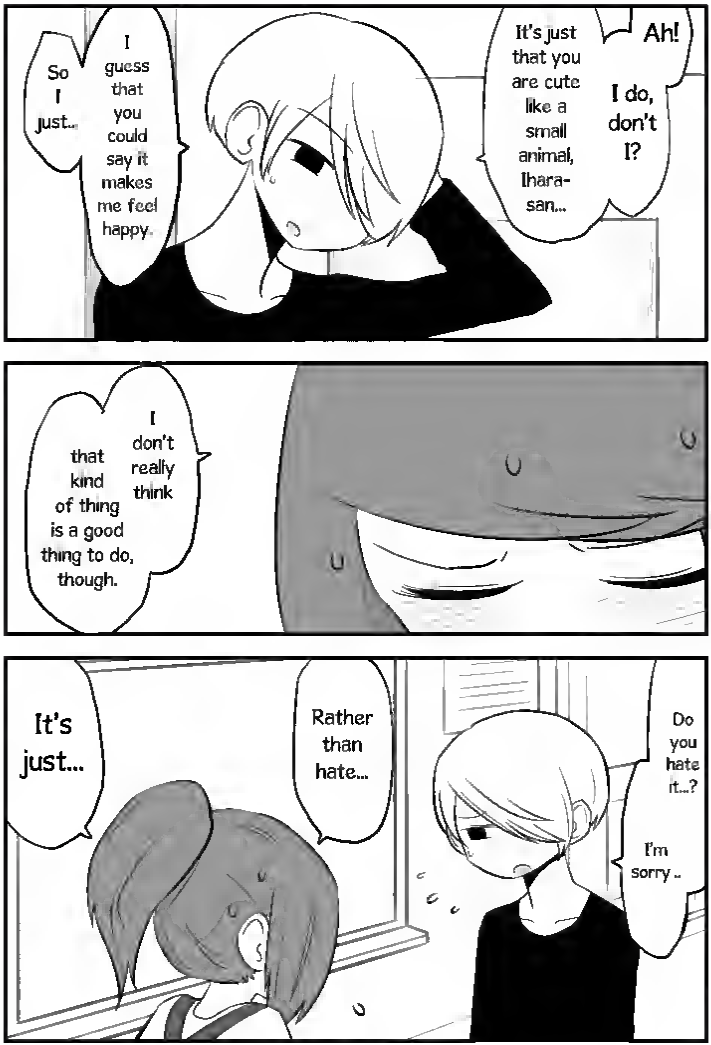


Ihara-san, let's go take a break.
Miser!
Ah!
It's that time already!?
Take me along, Take
I'm going on break.
Don't wanna.
Right, today I get to have break with Take-san.
I'll go as soon as I finish up here.
Please tell me first if you have to go right away!
Me feeling like this would only cause Take-san trouble...
Not good...
Not good...
What am I being happy about?
I'll wait for you, Ihara-san.
Got it.
Ah!

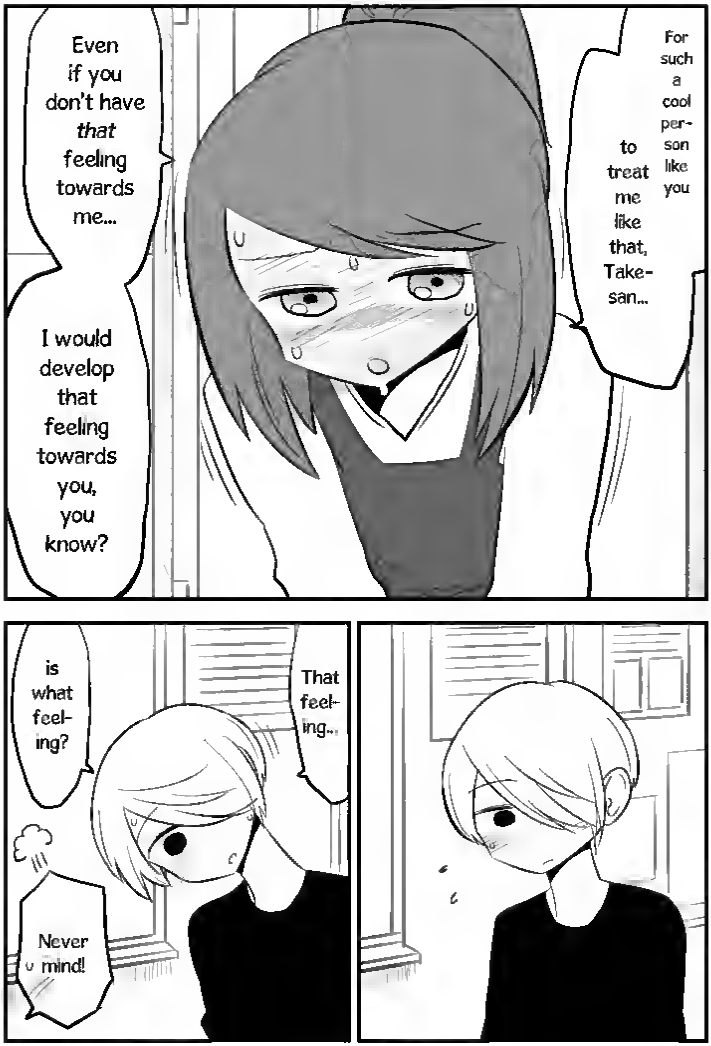


Break Room
Ihara-san, you made your own lunch, right?
Ah!
Yes.
It's mostly just frozen food, though.
But you made that egg roll yourself, right?
Eh...
yes...
It's just frying stuff, though..
I want to eat it...
Eh!? But I already took a bite of it...
I don't mind, I want to eat it.
ドキ...
ドキ...
ドキ...
ドキ...

もく
Hmm,
It's good!
もく
Indirect kiss...
?
Take-san.
Say...
Take-san, you...
You like to touch me a lot, don't you...



Ah!
It's just that you are cute like a small animal, Ihara-san...
I do, don't I?
I guess that you could say it makes me feel happy.
So I just...
I don't really think that kind of thing is a good thing to do, though.
Do you hate it...?
I'm sorry..
Rather than hate...
It's just...



For such a cool person like you
to treat me like that, Take-san...
Even if you don't have *that* feeling towards me...
I would develop that feeling towards you, you know?
That feeling...
is what feeling?
Never mind!
